

The holiday season is a time of mixed emotions for our youth. For young adults who are transitioning from foster care to adulthood, the holidays can bring up painful memories of the past. Each year, Orangewood Foundation coordinates a holiday drive for the youth that we serve. Our Holiday Wish List features items that our youth need as they transition into adulthood. Anything that we can provide to our youth during this stage of their life, big or small, can make a huge impact. Our youth know they are not forgotten during this special time of year thanks to the support of people like you. Thank you!
